Please provide a paragraph (written in LAY language) describing the use of the equipment and any important findings that resulted from it during the reporting period. Please include a list of scientists who used the equipment and their institutional affiliations. Also include a description of what you have done to advertise the availability of the equipment to other scientists. Please limit your narrative to 250 words and attach lists, as needed. Note: This section is very important and may become public information.

List any publications, presentations, or new funding related to the grant.
